HELP Needed

I attended the pre-event planning meeting tonight with the ADA folks. The only change for us is that they have added another bike repair vehicle. This makes 5 bike repair vehicles. We need a radio op for this assignment to work from 1000 to 1400. They would need to have a rig, mag mount antenna, etc. If they don't have the equipment we can provide. If you know of an interested ham please let me know ASAP!

Other than that the schedule stands. Hope to see or hear you on Sunday June 6th

FCC affirming the revocation of his Amateur Radio license

Lonnie L. Keeney, KB9RFO, of Greencastle, Indiana, filed a [Petition for Reconsideration](#) in March 2010, asking that the FCC re-evaluate the [revocation of his Amateur Radio license](#). Keeney -- who in 2002 was convicted of child molestation, a Class C felony -- was found by the FCC in February 2010 to be "lack[ing] the requisite character qualifications to be and remain a Commission licensee." Keeney appealed the decision, and on May 24, the FCC denied his [Petition via an Order on Reconsideration](#), affirming the revocation of his Amateur Radio license
